Delivery order	Service checklist	Circle one
Delivery	The rate you have been quoted includes 30 minutes on site to deliver	
	The actual time it takes to unload a container is 15 minutes	
	After 30 minutes on site you pay the driver $100/ $125/ $150 per hour.	Yes
	We do not travel in snow conditions	
Driveway	Is the entry to your driveway less than 15ft wide?	Yes / No
	Is the road in front of your driveway less than 20ft wide?	Yes / No
	Are there turns in your driveway	Yes / No
	Are the trees along your driveway trimmed 14ft high and 15ft wide?	Yes / No
	Are there wires on the property less than 15 ft high	Yes / No
	Is there any uphill grade to the driveway	Yes / No
Landing site	We are not able to load or unload on a slope from side to side	
	Is there a grade lengthwise or a slope to the side of the landing site	Yes / No
	Setting the container flat on 4 corners prevents the doors from binding when you put weight inside. You do not need to support the container in the middle. We can help set the container flat if you have adequate material ready. We recommend 12 pieces of 2x6 pressure treated board cut 12 inches long.	
Off road	If we agree to go off road it is at your request and your expense.	Yes
	If we get stuck you pay our time at $100/ $125/ $150 per hour	Yes
	If it requires a wrecker you pay the wrecker	Yes
	Is there a septic tank and where is it?	Yes / No
	Are there Underground utilities, Drain pipes, Electrical vaults, Culverts?	Yes / No
Container	Is it an ISO shipping container with four lower Corner castings	Yes / No
	Does the roof have material or debris on top	
	Has the container been modified? End removed? Roof added?	
	Does the container have attachments, Air conditioner, Roof vents?	
Liability	We are not liable for Property damage.	Yes
	Gates, Fences, Gutters, Eves, Ground damage, Underground utilities, Landscape, or Vehicles	
Payment	Cash	You will be provided a numbered invoice marked paid
	Cashiers check	You will be provided a numbered invoice marked paid
	Any credit card	+ 4% Processed by the driver at the time of delivery
