

# Loaded containers - Ground service – National operators – Oct 17

Note: Side loaders can generally lift over 60,000lb, but limited to one side only. They can only transport about 40,000lbs.  
 Swing loaders can generally lift up to 20,000 lbs and can load on both sides.  
 Most of these operators can off-load and on-load to another flatbed or chassis.  
 Many of these operators have 2 or more machines
